OTC Degree Completion

to

MSU Bachelor of Science: Health Services-Clinical Services

Comprehensive major - a minor is optional/not required

The following is a guide to graduation for MSU’s Bachelor of Science degree in Health Services-Clinical Services. Include the below OTC classes in your OTC Health Sciences Associate of Applied Science course planning as each class transfers and helps meet an MSU degree requirement for this major:

OTC Course	MSU equivalent
Completion of OTC's Health Science AAS degree	
PSY 110	PSY 121
MTH 210 or PSY 220 - "C" or higher	MTH 340 or PSY 200 subs for IPE 381
See below note.	

This is an interdisciplinary program designed to: provide allied health professionals who have completed an associate degree or certificate with opportunities for professional growth, preparation for leadership positions, and career advancement; provide a foundation for those who plan to enter the workforce as a non-clinical healthcare professional; provide a foundation for those who wish to progress into non-clinical graduate programs. Admission to this major is separate from admission to the University. Discuss with the MSU Health Services Advisor. This degree may be fully completed on campus or online.

This document was prepared by the MSU Academic Advising and Transfer Center in conjunction with MSU’s Health Services Advisor on November 7, 2025 and is subject to change. This information is provided as a guide. Students are required to fulfill MSU graduation requirements to receive a degree and should consult their MSU departmental advisors and the MSU undergraduate catalog for details, including the policy under which a transfer student who remains continuously enrolled may follow MSU graduation requirements in effect when the student first enrolled at their transfer institution (OTC).
