

OPTION #1 – WORK OUTDOORS

Garden Workday at The Fairbanks Community Center

WHEN: Thursday, June 26, 8:30am-12pm

WHERE: 1126 N Broadway Ave

WHAT YOU WILL DO: Volunteers will assist with weeding, harvesting produce, making compost, and other general garden tasks.

WHO YOU WILL HELP: Springfield Community Garden's Market Garden is a farmer incubator located at The Fairbanks Community Center and helps feed local families. This lot is approximately one acre in size and was previously a baseball diamond of the historic Fairbanks Elementary School. The Market Garden was established in 2017 and represents SCG's growth as a fully functional market farm complete with the organization's first pack shed facility, a three-bin composting system, and has been designated as Certified Naturally Grown since 2018.
