Constitution of the Faculty
Missouri State University

PREAMBLE

In order to promote the general welfare of Missouri State University, to effect communication within the faculty of the university as well as between the faculty and the administration, the staff, the students, the alumni, and the Board of Governors; and in order to provide a means of collective action of the faculty in dealing with matters of concern to the Faculty, including matters of curriculum, this Constitution of the Faculty governance is affirmed.

ART I   CREATION OF THE FACULTY SENATE

The faculty of Missouri State University acknowledge and accept the responsibility and authority for shared governance delegated to it by the Bylaws of the Board of Governors. Faculty governance at Missouri State University shall be defined to include the creation of the Faculty Senate.

ART II   PURPOSE OF THE FACULTY SENATE

The purpose of the Faculty Senate shall be to provide a forum for discussing matters of concern to the Faculty and to inform all segments of the academic community of the Faculty Senate's concerns, findings, and actions.

ART III   POWERS OF THE FACULTY SENATE

The Faculty Senate shall have the power to establish policy in the areas of authority assigned to the faculty in the Bylaws of the Board of Governors and for such other areas or problems as may be assigned to it by the president of the university or the Board of Governors. Shared governance, as delegated by the Board in the Faculty Handbook, recognizes the essential interdependence of governing boards, administration, faculty, staff, and students. This shared governance is indispensable to the development of educated persons. The Faculty Senate shall have the power to establish specific functional bodies to carry out powers granted to the Faculty Senate. The Faculty Senate and its established bodies shall have the power to initiate action in such curricular and non-curricular matters as it deems fit, or in such matters as are brought to its attention by one or more members of the faculty. Every Faculty Senate Action is subject to challenge by the faculty and subject to final approval by the president and, when necessary, by the Board of Governors.
ART IV  NOMENCLATURE FOR ACADEMIC ENTITIES AND PERSONNEL

For brevity and simplicity, the Constitution and Bylaws refer only to academic departments with heads and colleges with deans. Some academic entities (including the Library, Greenwood Laboratory School, and the School of Agriculture) and associated personnel (including directors and chairs) do not fit this nomenclature. The Faculty Senate web page (http://www.missouristate.edu/facultysenate/entities.htm) indicates how such entities are treated with respect to the curricular process and representation on the Senate and its subcommittees.

ART V  MEMBERSHIP OF THE FACULTY SENATE

There are two classes of membership in the Faculty Senate: voting members (designated as senators) and non-voting members (designated as delegates). The voting membership of the Faculty Senate shall consist of the following senators: the Chair of the Senate; the Chair-Elect of the Senate; the Secretary of the Faculty; representatives of academic departments, one senator from each academic department; one representative from the instructors; one from clinical faculty; and representatives of the ranked faculty, one senator from each rank: (a) assistant professor, (b) associate professor, (c) full or distinguished professor. Eligible department representatives include all ranked faculty, as well as those instructors and clinical faculty who have served no less than two consecutive academic years at Missouri State University by the September session of their term. Ranked faculty refers to tenure-track/tenured Assistant Professor, Associate Professor, or Professor or Distinguished Professor. Those who hold administrative appointments at or above head level of academic department are not eligible to serve as senators. Exception to this rule: if an academic department has three or fewer eligible representatives, then the head may serve as senator.

ART VI  OFFICERS OF THE FACULTY SENATE

The officers of the Faculty Senate shall include: Chair, Chair-Elect, and Secretary of the Faculty.

ART VII  SESSIONS OF THE FACULTY

The university faculty shall meet at the call of the Board of Governors, of the President of the university, of the Chair of the Faculty Senate, or upon the written petition to the President of the university of not less than ten percent (10%) of the voting faculty. The President of the university, or the President's designee, shall conduct sessions of the university faculty.
ART VIII  SESSIONS OF THE FACULTY SENATE

SEC 1  The first session of the newly-elected Faculty Senate shall be convened within seven (7) school days after the general election of Faculty Senate members.

SEC 2  During the regular academic year, the Faculty Senate shall be scheduled to meet once a month at a time and place fixed by the Faculty Senate.

ART IX  PARLIAMENTARY AUTHORITY

The rules contained in the current edition of Robert's Rules of Order Newly Revised shall govern sessions of the faculty, the Faculty Senate and established bodies of the Faculty Senate in all cases to which they are applicable and in which they are consistent with the Bylaws.

ART X  AMENDMENT OF CONSTITUTION

There are two classes of constitutional amendments: substantive and non-substantive. A non-substantive amendment includes only editorial and/or terminological changes that do not affect the intent of this Constitution. The rules governing non-substantive amendments to this Constitution are the same as those governing amendments to the Bylaws of the Faculty Senate. Non-substantive amendments are therefore voted upon only by the Faculty Senate. If there is any question as to whether a proposed amendment is substantive, it must be treated as substantive.

A substantive amendment to this Constitution may be proposed by the Faculty Senate or upon petition to the Faculty Senate by fifty (50) ranked faculty. A report, which must include the exact wording of the amendment and a rationale, shall be placed on the agenda of the next Faculty Senate session, unless that would place it on the May agenda, in which case it shall be placed on the September agenda. The report is for information and debate only: the constitutional amendment may not itself be amended in any way on the floor of the Senate, nor may it be withdrawn, nor is it voted upon by the Senate. The report shall be distributed electronically to the Faculty on the same day the report is presented to the Senate. Substantive amendments are voted upon electronically by the entire ranked faculty. The polls shall open on the first business day not less than thirty (30) days following the report, and shall remain open for a total of five (5) business days. An affirmative vote equal to a majority of the votes cast by the ranked faculty shall be necessary to make a proposed substantive amendment part of this Constitution.
BYLAWS OF FACULTY SENATE

ART I FACULTY SENATE

SEC 1 Nomenclature for Academic Entities and Personnel

For brevity and simplicity, the Constitution and Bylaws refer only to academic departments with heads and colleges with deans. Some academic entities (such as Schools and special academic programs) and associated personnel (such as directors and chairs) do not fit this nomenclature. The Faculty Senate web page http://www.missouristate.edu/facultysenate/entities.htm indicates how such entities are treated with respect to the curricular process and representation on the Senate and its subcommittees. When a new entity is formed, the Faculty Senate Executive Committee, after consultation with the relevant entity and the Provost’s office, shall determine how that entity is to be represented, and bring forth its recommendation to the Senate as an Internal Senate Action. Any senator may bring forth an Internal Senate Action to change the classification of an entity. Because the academic entities web page is a formal extension of the Bylaws of the Senate, changes approved by the Faculty Senate must be submitted to the Committee on Rules for the development of formal language.

SEC 2 Membership of Faculty Senate

There are two classes of membership in the Faculty Senate: Voting members (designated as senators) and non-voting members (designated as delegates). The voting members of the Faculty Senate shall consist of the following senators: the Chair of the Senate; the Chair-Elect of the Senate; the Secretary of the Faculty; representatives of academic departments, one senator from each academic department; one representative from the instructors; one from clinical faculty; and representatives of the ranked faculty, one senator from each rank: (a) assistant professor, (b) associate professor; and (c) full or distinguished professor. The following chairs of Faculty Senate standing committees who have not been elected as voting members of the Senate shall be non-voting delegate members of the Senate: the Chair of the Graduate Council; the Chair of the Educator Preparation Provider Council; the Chair of the Council on General Education and Intercollegiate Programs; the Chair of the Academic Relations Committee; the Chair of the Rules Committee; the Chair of the Faculty Concerns Committee; the Chair of the Budget and Priorities Committee. Other non-voting members of the Faculty Senate shall consist of the following delegates: one delegate from the Student Government Association and one delegate from the Graduate Student Council; one delegate from the classified staff and one delegate from the professional staff.

All academic departments physically located outside the State of Missouri can designate a current faculty member from the Springfield campus to represent them in all areas of concern. By definition, this right shall be, but is not limited to, representation on the Faculty Senate, the Faculty Concerns Committee, and College Council.

clinical faculty who have served no less than two consecutive academic years at Missouri State University
by the September session of their term. The head of each academic department shall prepare a ballot of
all eligible department representatives within the academic department and conduct the election. Voting

later than March 22, the Secretary of the Faculty shall conduct the annual primary election of rank
representatives. All members of the ranked faculty of each rank may vote on previously nominated
members of that rank to fill positions of rank representatives on the Faculty Senate. Each voter may vote
for one (1) senator if there is a vacancy in the voter’s rank representation.

(4) Annual General Election of Members to Faculty Senate. The annual general election shall be conducted
no later than April 15. In the general election the ranked faculty of each rank may vote for one (1) rank
representative if there is a vacancy in the voter's rank representation. In this election a ballot shall be
prepared for each rank by the Secretary of the Faculty. This ballot shall contain at least two (2) names for
the rank representative if there is a vacancy to be filled from that rank, and these shall be the names of
those receiving the highest number of votes in the primary election, but in case of tie votes for first or
second position, the ballot shall also contain the names of those tied for those positions. In the event that
the person elected as Secretary of the Faculty is serving a term as a senator, a temporary replacement shall

remaining portion of her/his term.

G Terms of Member Service on Faculty Senate

(1) (a) Each person elected to the Faculty Senate shall be elected for a two-year term except for situations indicating otherwise in this section. Each such person shall be eligible to serve two consecutive terms of two years each, but following the second term shall not be eligible to serve until after the lapse of an intervening year.

(b) Exception to this rule: A person elected Chair-Elect during the third or fourth consecutive year as a Senator may serve the next two years as Chair-Elect and Chair of the Senate. A person elected Secretary of the Faculty during the third or fourth consecutive year as a senator may serve the next year as Secretary of the Faculty and is eligible for reelection as secretary for the next succeeding term. Upon completion of such a term as an officer of the Senate that person will not be eligible to serve on the Faculty Senate until the lapse of an intervening year. The past-chair, unless that person becomes a full-time administrator or leaves the University, will serve one year as the Chair of Judicial Review and is not eligible for any elected positions in the Senate. When the immediate past-chair is unable or ineligible to serve, the next most immediate past-chair will serve.

(2) Senate members shall be available for sessions or other Senate work twelve months of the year. Should any senator be temporarily unavailable to fulfill the responsibilities of a senator, he/she shall arrange for a substitute to take his/her place in the Senate during the senator’s absence and shall communicate the identity of that substitute to the Faculty Senate office prior to becoming unavailable.

(3) Whenever a new Faculty Senate seat is necessitated, either by the creation of a new academic department or for any other reason, the Executive Committee shall determine whether the initial term for that seat shall be one year or two years in such a manner as to maintain a balance between the number of senators whose terms expire each year.

(4) The Secretary of the Faculty shall serve a one-year term and shall be eligible to serve two consecutive terms, but following the second term shall not be eligible to serve until after the lapse of an intervening year.

(5) The instructor representative, clinical faculty representative, student and staff delegates shall serve one-year terms but may serve two (2) consecutive terms.

H Filling Vacancies of Membership - Faculty Senate

(1) The constituency of the persons elected as Chair-Elect and Secretary of the Faculty shall elect new representatives to the Faculty Senate as specified in this section of the Bylaws.

(2) If an academic department ceases to exist, then it is no longer eligible for representation. If a new department is formed, the Chair of the Faculty Senate shall immediately notify the head of the academic department; and the academic department shall elect a replacement by the election process provided above.
If for any reason a permanent vacancy (one semester or more) occurs on the Faculty Senate, the nominee from the constituency where the vacancy occurs who received the next highest vote total in the previous election shall serve the unexpired term or for the duration of the absence. If the vacancy occurs from an academic department, the Chair of the Faculty Senate shall immediately notify the head of the academic department without representation; and the academic department shall elect a replacement.

The person who fills the vacancy shall be considered as having served an elected term for purposes of eligibility for reelection.

I  Time for Taking Office

Newly-elected senators, new delegates, the Secretary of the Faculty, and the new chair shall take office at the first session following the annual elections. The new chair will be responsible for setting the agenda for that session.

SEC 4 Election of Officers - Faculty Senate

A  Faculty are eligible for the position of Chair-Elect or Secretary of the Faculty if (1) by the time they assume office they will have completed at least one year of service (may or may not be continuous) in the Faculty Senate as a voting member during the previous six academic years, and (2) they are tenured before the September session of their term. Heads of academic departments are not eligible candidates for the positions of Chair-Elect and the Secretary of the Faculty.

B  No later than February the Chair-Elect shall appoint and chair the Nominating Committee, which must contain a total of at least three members, all of whom are ranked, tenured faculty eligible to be senators (ignoring term limits). The current Senate Chair and Parliamentarian may not be appointed, nor may the current Secretary of the Faculty if he or she intends to run for either office. The committee shall nominate one eligible candidate for Chair-Elect and one eligible candidate for Secretary of the Faculty, both of whom accept their nomination and agree to serve if elected. The committee may not nominate the same person for both offices. No later than the March session, the Chair-Elect shall make a report to the Senate identifying the members of the committee and presenting its nominees.

C  Senators shall be free to nominate eligible candidates at the March session or by submitting nominations, with an appropriate second, to the Secretary of the Faculty no later than April 1. Since the Senate benefits from having a strong and diverse slate of candidates, it is desirable that at least one nomination for each office come from the floor so that the candidates nominated by the Nominating Committee do not run unopposed.

D  Candidates for Chair-Elect and Secretary of the Faculty shall submit a statement of purpose not to exceed 300 words to the Faculty Senate office for distribution no later than April 3. Failure to comply with this requirement shall result in the withdrawal of the candidate from the election.

E  Candidates for Chair-Elect and Secretary of the Faculty shall participate in a Candidate Forum which will be held during the April session after announcements and approval of the minutes of the March session.

F  After the Candidate Forum is concluded, senators shall vote by secret ballot for offices with at least two candidates. Unopposed candidates are automatically elected without vote.
The winners must receive an absolute majority of the votes cast. In the event that no candidate receives a majority vote the two candidates receiving the most votes will participate in a run-off. The run-off vote will also occur at the April session.

The Chair-Elect shall become Chair after serving a one-year term.

In case a vacancy occurs in the office of Chair-Elect and/or Secretary of the Faculty will immediately vacate their office upon accepting an oral or written offer to become an administrator, at the level of academic department head or higher.

In case a vacancy occurs in the office of Chair-Elect or Secretary of the Faculty, the Faculty Senate shall elect a new Chair-Elect or Secretary of the Faculty at the next session of the Faculty Senate. Notification of the pending election shall be made as a part of the agenda for the session. The nominations and election will be held immediately following the approval of the minutes and announcements. Nominees must meet the criteria as established in Article I, Sec 4, Part A of these Bylaws. Any Senator may nominate a candidate or self-nominate. Nominees must accept the nomination and be seconded by a Senator. Once all nominees have been identified they will participate in a Candidate Forum to be held immediately following the nominating process. Following the Candidate Forum a vote shall be conducted following the criteria established in Article I, Sec 4, Parts F-G of these Bylaws. The newly elected officer shall immediately begin service in the elected office.

If such a vacancy occurs after the agenda is set for the final spring-semester session of the Faculty Senate and before the Monday preceding the first day of fall semester classes, the Chair of the Faculty Senate shall ask the immediate Past Chair to serve in the capacity of the vacated office on an interim basis and only until a new officer is elected during the first Senate session of the fall semester. If the immediate Past Chair is unable or unwilling to serve, then the Chair will ask the Chair-Elect or Secretary of the Faculty Senate (depending on the vacated office) to serve in the capacity of the vacated office on an interim basis and only until a new officer is elected during the first Senate session of the fall semester. The Chair of the Faculty Senate shall notify all Senators of the interim appointment.

The removal of a Chair, Chair-Elect, or Secretary of the Faculty from office is initiated by submitting a petition signed by at least 25% of the voting Senate membership; at that time, the issue shall be placed on the agenda of the next regularly scheduled Senate session. The office will become vacant if a two-thirds vote approves the motion to remove the officer and such votes account for at least a majority of the voting Senate membership.

SEC 4 Membership of the Educator Preparation Provider Council

A An EPPC member who represents the faculty must be a member of the EPP. Faculty/staff who teach one or
more EPP courses, advise or supervise educator preparation students, or administer educator preparation
academic departments/units* or colleges must be members of the EPP.

(*The term “unit” here refers to any group of faculty members who collectively controls the curriculum of one
or more academic programs and resides outside of the administrative structure of any single academic
department. The only educator preparation entity that fits this description is the MSED-Secondary Oversight
Committee. If additional educator preparation units are formed which fit this description, they shall receive
voting membership on the EPPC automatically without additional amendment to the Bylaws. The
BSED-Secondary Oversight Committee does not fit this description because each of the BSED-Secondary
programs is controlled by its respective department.)

All faculty serving on EPPC must meet all Council for the Accreditation of Educator Preparation (CAEP) and
Department of Elementary and Secondary Education (DESE) accreditation standards regarding members of
the EPP. These standards include being actively involved in teacher education and having a five-year plan on
file in the respective academic department and the EPP. This five-year plan must detail the faculty member’s
direct and periodic involvement with the public schools.

B 1 The EPPC shall include at least one EPP faculty member from each academic department, and from
each entity so identified in http://www.missouristate.edu/facultysenate/entities.htm, that has one or more
education programs. All departments are required to have at least one representative. Departments with
more than 250 combined graduate and undergraduate teacher education majors have the option of electing
one representative per 250 majors in teacher education. If an academic department or entity so identified
in http://www.missouristate.edu/facultysenate/entities.htm has three or fewer EPP faculty members, then
its head may serve as an ex officio EPPC member without voting privileges.

2 Eligible members from the faculty shall be elected for a two-year term and shall be eligible to serve two
consecutive terms but following the second term shall not be eligible to serve until after the lapse of an
intervening year. Exception to this rule: A person elected chair-elect during the fourth consecutive year
as a EPPC member may serve a fifth year as chair-elect and a sixth year as chair. Upon completion of a
term as chair, that person will not be eligible to serve on the EPPC until after the lapse of an intervening
year. A second exception shall be those academic departments in which only one or two faculty meet
EPPC membership requirements. These faculty may be reelected without limit.

C Three school teachers (elementary, secondary, K12) from the community and one full-time school
administrator from the community shall be elected to the EPPC by the EPPC and shall be eligible to serve two
consecutive terms of two years each, but following the second term shall not be eligible to serve until after the
lapse of an intervening year. These members shall be full voting members except they shall be excluded
from discussions and decisions regarding confidential personnel matters.

D Membership shall also include two Missouri State University undergraduate students and two Missouri State
University graduate students. Student members shall serve a term of two years as full voting members. They
shall be excluded from discussions and decisions regarding confidential personnel matters.

In addition to the appointed members of the Graduate Council, the Graduate Curriculum Screening Committee includes \textit{ex officio} members who represent Meyer Library, Records and Registration, and the Educator Preparation Provider Council.

(4) Graduate Council Grievance Committee. The Graduate Council Grievance Committee is responsible for reviewing any grievance other than for a curricular matter brought to the council by (a) a graduate student, (b) the Executive Committee of the Graduate Council, (c) the Graduate Council itself, (d) any member of the graduate faculty, or (e) the office of the Graduate Dean. The Grievance Committee makes a recommendation for disposition by the Graduate Council or the Graduate Dean. This includes appeals to decisions made by the Graduate College Dean regarding the eight-year rule for completion of a graduate degree. The Graduate Council Grievance Committee also hears and acts upon all appeals to decisions made by the Graduate Council Membership Committee and informs all involved parties of its decision. A membership decision of the Graduate Council Grievance Committee regarding an appeal is binding on the Council.

(5) Graduate Recruiting Committee. The Graduate Recruiting Committee is responsible for (a) monitoring growth of the graduate programs at the university; (b) working with departments throughout the university to streamline the graduate recruitment process; and (c) identifying effective recruitment practices, both on campus and elsewhere to suggest changes to the graduate recruitment process as university policies and practices change.

B The Executive Committee of the Graduate Council shall consist of the Chair of the Graduate Council, the Chairs from each of the standing committees of the Graduate Council, and one other member of the Graduate Council appointed at-large by the Chair of the Graduate Council; the Dean and Associate Dean of the Graduate College, the Chair of the Faculty Senate, and the most recent past-Chair of the Graduate Council, shall be \textit{ex officio} members without votes. The Executive Committee of the Graduate Council shall meet the week prior to the regularly-scheduled sessions of the Graduate Council. The Executive Committee shall: (1) advise the Chair of the Graduate Council in preparing the agendas for sessions of the Graduate Council; (2) assist in supervising the work of the Graduate Council in such manner as directed by the Graduate Council or by the Chair of the Graduate Council; (3) discuss issues related to program planning, curricular control, and policy-making for the Graduate College; (4) consider all issues related to graduate education at Missouri State University not delegated to the standing committees of the Graduate Council; and (5) recommend specific proposals to be debated by the Graduate Council.

C The Chair of the Graduate Council may appoint ad hoc committees for the study and investigation of special problems. These committees will serve until the completion of the work for which they were appointed.

D All committees are to make reports to the Graduate Council and act only on the Graduate Council’s instruction.
SEC 8 Challenges and Appeals of Graduate Council Actions

A The ranked members of the Graduate Faculty have an inherent right to challenge any Action of the Graduate Council, as set forth in ART VII SEC 2 of these Bylaws.

B The ranked faculty of the University have an inherent right to appeal any Action of the Graduate Council, as set forth in ART VII SEC 3 of these Bylaws.

SEC 9 Amendments of Bylaws

These Bylaws may be amended by a two-thirds vote of the Graduate Council after the amendment has been considered for two (2) sessions, providing the amendment was stated in the call for the session. Amendments shall take effect after review by the Rules Committee of the Faculty Senate and approval by the Faculty Senate.

ART VI CURRICULAR PROCESS

SEC 1 Responsibility for Curricular Matters

The responsibility for dealing with curricular matters is assigned to the faculty of the university by the Board of Governors. Curricular proposals approved by the Faculty Senate become Faculty Senate Actions that are subject to approval and implementation by the president of the university and, where necessary, to approval by the Board of Governors.

SEC 2 Definitions and Structures in Curricular Process

A For the purpose of this document, curricular proposals include proposals for:

(1) New degree or certificate programs
(2) New options within an existing degree or certificate program
(3) New courses
(4) Changes in any of the above
(5) Changes to degree or certificate policies and requirements
(6) Changes to General Education program requirements

B Curricular matters shall be acted upon by the following bodies including such internal structures of each named body as may be established for dealing with their specific curricular matters:

(1) Academic departments or special academic programs
(2) College councils
(3) Academic deans
(4) Graduate council
(5) Educator Preparation Provider Council
(6) Council on General Education and Intercollegiate Programs
(7) Secretary of the Faculty
(8) Executive Committee of the Faculty Senate
(9) Faculty Senate
(10) University administration
Proposals for non-substantive curricular changes (defined in Senate Action 11-93/94 adopted in December 1993) follow the same routing as substantive curricular proposals. For non-substantive changes the path is purely informational and requires no approval by the various bodies. However, the chair of any council that reviews the proposal, the Secretary of the Faculty, or the Senate Chair may challenge the designation of a proposed change as non-substantive, in which case the proposal must be re-submitted by the originator as a substantive change. Non-substantive changes are challengeable and follow the same challenge and appeal processes as substantive changes.

SEC 3 Responsibility of Academic Departments

A Each academic department or special academic program shall have autonomy in originating and perfecting; or in considering, altering, adopting, or deleting courses and programs of study as part of the curriculum in its discipline when such courses or programs are referred to the academic department.

B After being perfected by the academic department or special academic program, the academic department head or the chair of the special academic program shall forward proposals in this manner:

1. After review/comment by the college dean as described in SEC 5 below, course and program proposals for MS in Education and Educational Specialist Degrees shall be forwarded to the chair, Educator Preparation Provider Council.

2. After review/comment by the college dean as described in SEC 5 below, program proposals for general education, course and program proposals for special academic programs, proposals for other multi-college courses and programs, proposals affecting undergraduate degrees offered by two or more colleges, and proposals affecting the general requirements for undergraduate certificates shall be forwarded to the chair, Council on General Education and Intercollegiate Programs.

3. After review/comment by the college dean as described in SEC 5 below, proposals affecting graduate courses (600 level and above), graduate programs, graduate degrees, and graduate certificates shall be forwarded to the chair, Graduate Council.

4. All other course and program proposals, including one-time-only, experimental, and intersession proposals, shall be forwarded to the chair of the college council of the college in which the academic department serves.

SEC 4 Responsibility of College Councils

A A College Council shall receive, deliberate on, and expedite curricular proposals from the academic departments within a college.

B Proposed general education courses shall be evaluated for alignment with general education learning objectives in addition to other criteria that may be applied to courses offered by the college.

C A College Council shall reject or recommend approval of a departmental curricular proposal.
D All Department Heads/Directors and Faculty Senators from within the College shall be notified of the
disposition of each curricular proposal and shall be given access to either a digital or paper copy of the
proposal. This notification shall constitute dissemination to the College faculty and shall initiate the
challenge period within the College.

E If a curricular proposal stands rejected at the end of the challenge period or after adjudication of a challenge,
the originator, the Department Head/Director, and the Faculty Senator representing the academic department
or special academic program from which the proposal originated shall be notified. This notification shall
initiate the appeals period for the College Council Action.

F Curricular proposals recommended for approval by a College Council shall be forwarded to the College Dean
for review and comment as stipulated in Section 5 of this Article. Review by the College Dean may be
concurrent with the challenge period.

G After review and comment by the College Dean, or after the expiration of the review/comment period, and
after expiration of the challenge period or adjudication of a challenge, a proposal recommended for approval
shall be forwarded by the College Council Chair as follows:

   (1) Program proposals for Bachelor of Science in Education and Bachelor of Music Education degrees, and
       proposals for Professional Education courses, to the Chair of the Education Preparation Provider Council.
       Criteria for designation as a Professional Education course and a list of current Professional Education
       courses can be found on the EPP web site.

   (2) All proposals affecting general education to the Chair of the Council on General Education and
       Intercollegiate Programs.

   (3) All other proposals to the Secretary of the Faculty for disposition as hereinafter stipulated.

SEC 5 Responsibility of Academic Deans

A All curricular proposals passed by College Councils shall be forwarded to the Dean of the College, who
may review and make comment. Such review/comment shall be completed within 10 days of receipt of the
matters, after which time the proposals shall be returned to the College Council Chair for disposition as
stipulated above. The dean may not withdraw any matter from consideration, though any curricular
proposal may be withdrawn from consideration before final comment of the dean, upon specific request to
the dean by the originating academic department. If the dean does not review/comment on a given matter,
the matters shall be forwarded by the College Council Chair to the Secretary of the Faculty after expiration
of the review/comment period.

B Proposals for graduate level (600-level and above) courses and programs prepared by academic
departments shall be submitted to the Dean of the College for review/comment. Such review/comment shall
be completed within 10 days of receipt of the matters, after which time the proposals shall be returned to the
originating academic department for disposition as stipulated below. The dean may not withdraw any
matter from consideration, though any curricular proposal may be withdrawn from consideration before
final comment of the dean, upon specific request to the dean by the originating academic department. If
the dean does not review/comment on a given matter, the matters shall be forwarded by the academic
department to the Graduate Council after expiration of the review/comment period.
C  Proposals for general education courses and for interdisciplinary courses and programs prepared by academic departments shall be submitted to the Dean of each college in which a course for that program is housed for review/comment. Such review/comment shall be completed within 10 days of receipt of the matters, after which time the proposals shall be forwarded to CGEIP for disposition as stipulated below. No dean may withdraw any matter from consideration, though any curricular proposal may be withdrawn from consideration before final comment of the dean, upon specific request by the originating academic department. If the dean does not review/comment on a given matter, the matters shall be forwarded by the academic department to CGEIP after expiration of the review/comment period.

**SEC 6 Responsibility of Graduate Council, Educator Preparation Provider Council, and Council on General Education and Intercollegiate Programs**

A  Shall receive, deliberate on, and expedite curricular proposals from academic departments or special academic programs in the university.

B  Shall reject or recommend the approval of a curricular proposal. A curricular proposal shall be withdrawn from consideration before final disposition by the council, upon specific request to the council chair by the originator, without motion or vote.

C  Council on General Education and Intercollegiate Programs

1. If a proposal is rejected, the CGEIP Chair shall notify the originator, the Department Head/Director, and the Faculty Senator representing the academic department or special academic program from which the proposal originated. This notification shall initiate the appeals period for the CGEIP Action.

2. The CGEIP Chair shall forward to the Secretary of the Faculty all proposals recommended for approval.

D  Educator Preparation Provider Council

1. If a proposal is rejected, the EPPC Chair shall notify the originator, the Department Head/Director, and the Faculty Senator representing the academic department or special academic program from which the proposal originated. This notification shall initiate the appeals period for the EPPC Action.

2. Recommended proposals affecting graduate programs or courses shall be forwarded to the Chair of Graduate Council.

3. Recommended proposals affecting undergraduate programs or courses shall be forwarded to the Secretary of the Faculty.

E  Graduate Council

1. After a curricular proposal has been reviewed, all members of Graduate Council and all Faculty Senators shall be notified of the disposition of the proposal and shall be given access to either a digital or paper copy of the proposal. This notification shall constitute dissemination to the Graduate Faculty and shall initiate the challenge period within the Graduate College.
If a curricular proposal stands rejected at the end of the challenge period or after adjudication of a challenge, the originator, the Department Head/Director, and the Faculty Senator representing the academic department or special academic program from which the proposal originated shall be notified. This notification shall initiate the appeals period for the Graduate Council Action.

If a curricular proposal is recommended for approval at the end of the challenge period or after adjudication of a challenge, the Graduate Council Chair shall forward the recommended proposal to the Secretary of the Faculty.

SEC 7 Rights to Challenge and Appeal Council Actions

A Members of the ranked faculty of each academic college have a right to challenge the rejection or recommended approval of any curricular proposal by their College Council, as set forth in ART VII SEC 2 of these Bylaws.

B Ranked members of the graduate faculty have a right to challenge the rejection or recommended approval of any curricular proposal by Graduate Council, as set forth in ART VII SEC 2 of these Bylaws.

C The ranked faculty members of the University have an inherent right to appeal the rejection or recommended approval of any curricular proposal by any Council of the Faculty Senate, as set forth in ART VII SEC 3 of these Bylaws.

SEC 8 Responsibility of Secretary of the Faculty

A Shall receive curricular proposals that have been recommended for approval by college councils, graduate council, Educator Preparation Provider Council, and Council on General Education and Intercollegiate Programs.

B Shall examine all recommended curricular proposals for procedural and typographical errors. Curricular proposals containing errors shall be declined and a description of the errors shall be provided to the originator. Corrected proposals must be resubmitted to the full curricular review process.

C All Department Heads/Directors of academic programs, all Faculty Senators, and the Faculty Senate Executive Committee shall be notified of recommended curricular proposals that are error-free and shall be given access to digital copies. This notification shall constitute dissemination to the ranked faculty and shall initiate the appeals period for Council Actions.

D After lapse of the appeals period for Council Actions, recommended curricular proposals that are error-free shall be forwarded to the Faculty Senate Executive Committee for disposition as described in ART VI SEC 9.

E Curricular proposals that have been approved by the Faculty Senate Executive Committee shall be distributed to all college deans, department heads, and faculty senators by the Secretary of the Faculty. This initiates the challenge period for Senate Actions.

F Approved curricular proposals shall be forwarded to the Provost after the challenge period for Senate Actions has lapsed without a challenge being submitted, or after a challenge to the Senate Action has been denied. ......
SEC 9 Responsibility of Executive Committee of Faculty Senate

A On behalf of the full Senate, the Executive Committee of the Faculty Senate issues final faculty approval on all curricular changes. For curricular proposals that must be considered by the full Senate as described in ART VI SEC 10, the Executive Committee issues final approval only after the proposal has been approved by a vote of the full Senate. For curricular proposals that are not required to be considered by the full Senate, the Executive Committee is authorized to issue final faculty approval without vote of the full Senate. This normally is a pro forma process; however, if within an appeals period any member of the committee determines that a curricular change warrants further review by the faculty then the committee has the right to bring the proposal to the floor of the Faculty Senate, in which case approval or rejection of the proposal is determined by a vote of the full Senate.

B Approved curricular proposals shall be forwarded to the Secretary of the Faculty for dissemination as described in ART VI SEC 8E and 8F.

C The Executive Committee must reject any curricular proposal that has been rejected by a vote of the full Senate. However, the Executive Committee is not empowered to reject a curricular proposal that has been recommended by all councils that reviewed it and has not been rejected by a vote of the full Senate, unless the proposal contains procedural or typographical errors that were not detected by the Secretary of the Faculty. If a proposal is rejected due to procedural or typographical errors, the corrected proposal must be resubmitted to the full curricular review process.

D The Executive Committee shall have authority to recommend to departments or special academic programs, to college councils, to the graduate council, to the Educator Preparation Provider Council, to the Council on General Education and Intercollegiate Programs or to the Faculty Senate, ideas for new curricular programs or alterations (including deletion or addition) to existing courses or programs.

SEC 10 Responsibility of Faculty Senate

The Faculty Senate shall consider and take action:

A On all curricular matters forwarded to it by the Executive Committee of Faculty Senate.

B On all appeals of curricular proposals forwarded to the Executive Committee of Faculty Senate by the college councils, Graduate Council, Educator Preparation Provider Council, and Council on General Education and Intercollegiate Programs. Senate actions on such appeals are separate from senate actions on the curricular proposals and must be resolved before the curricular process may advance. If the appeal of a recommendation to approve a proposal is upheld by Faculty Senate, then the curricular proposal is rejected and the curricular process ends. If the appeal of a proposal denial is upheld by Faculty Senate, then the curricular proposal moves forward as otherwise described. If the appeal of a proposal denial is denied by Faculty Senate, then the curricular proposal is rejected and the curricular process ends. If the appeal of a recommendation to approve a proposal is denied by Faculty Senate, then the curricular proposal moves forward as otherwise described.

C On all proposals to add or delete academic programs.

D On all proposals to change degree policies and requirements.

E On all proposals affecting the structure of General Education. This includes but is not limited to:
   (1) Changes to the aims and goals of General Education
   (2) Changes to the learning outcomes of General Education
   (3) Changes to the focus areas of General Education
(4) Changes to the credit hour requirements within General Education
(5) Course additions to and deletions from General Education

F On all challenges to approved curricular proposals.

SEC 11 Right to Challenge Senate Actions

The ranked faculty members of the University have an inherent right to challenge any Faculty Senate Action, as set forth in ART VII SEC 4 of these Bylaws. Within the curricular process, Senate Actions include the approval of a curricular proposal and the upholding of an appeal of a Council Action.

SEC 12 Responsibility of University Administration

All curricular proposals approved by the Faculty Senate become Faculty Senate Actions and shall be forwarded to the Provost by the Secretary of the Faculty after the lapse of the challenge period for Senate Actions.

SEC 13 Origination of Curricular Proposals

The primary responsibility for developing and revising curriculum resides with the faculty, and the initial formal stages of any such process should be accomplished at the lowest levels of organization within the faculty. Therefore, the curricular development and review process shall be reaffirmed and amplified as follows:

Any new academic degree program, major, minor, option, or certificate must originate with the formal sponsorship of one or more academic departments. Any new interdisciplinary or cross-disciplinary academic degree program, major, minor, option, or certificate which is to be administered from outside the structure of a single academic department must originate with the formal sponsorship of two or more academic departments/schools, including every academic department whose courses will constitute either nine or more credit hours or 30% or more of the total credit hours listed as requirements and/or options. All such required sponsorship at the academic department level must be obtained before the proposed new academic degree program, major, minor, option, or certificate can be formally considered by any higher level of the faculty governance structure (College Council, Graduate Council, CGEIP, EPPC, Faculty Senate). (As a courtesy, each academic department that will have one or more courses included in a proposed new degree program, major, minor, option, or certificate should be consulted to determine that they intend to continue offering the course(s) in question and that they will be able to accommodate the anticipated increase in demand. However, in the case of an interdisciplinary or cross-disciplinary program, formal sponsorship is not required unless the number of courses reaches the nine-hour or 30% threshold, and in the case of a non-interdisciplinary program (i.e., a program to be administered from within the structure of a single academic department), formal sponsorship by outside academic departments is not required regardless of the number of their courses included.)
Any substantive change to an existing academic degree program, major, minor, option, or certificate must originate with the formal sponsorship of the academic unit responsible for overseeing that program, major, minor, option, or certificate. In the case of a degree program, major, minor, option, or certificate offered through an individual academic department, the relevant academic unit would be that department. In the case of each “Special Academic Program,” any interdisciplinary or cross-disciplinary degree program, major, minor, option, or certificate offered outside the structure of a single academic department, the relevant academic unit would be the faculty committee charged with overseeing the program, major, minor, option, or certificate in question; references to “academic department” within these Bylaws related to the curricular process shall be understood to apply to the faculty committee. Such formal sponsorship by the relevant academic unit must be obtained before the proposed substantive change can be formally considered by any higher level of the faculty governance structure (College Council, Graduate Council, CGEIP, EPPC, Faculty Senate).

Under no circumstance should a proposal for a new academic degree program, major, minor, option, or certificate, or a proposal for a substantive change to an existing academic degree program, major, minor, option, or certificate formally originate from one of the academic college councils, the Graduate Council, CGEIP, the EPPC, or any other higher-level body within the faculty governance structure. Likewise, under no circumstances should a proposal for a new academic degree program, major, minor, option, or certificate, or a proposal for a substantive change to an existing academic degree program, major, minor, option, or certificate formally originate from the administration of one of the academic colleges, the Graduate College, or any other unit of the administration.

Ideas for new curriculum or substantive changes to existing curriculum are always welcome, regardless of where they originate, but such ideas should be communicated to the relevant groups of faculty members as efficiently as possible so that the process of developing or revising the curriculum in question can formally begin at the lowest level of the faculty governance structure.

SEC 14 Approval Process for Individual Sections of Variable Content Courses and Special Topics Courses

A New sections of existing variable content courses and special topics courses, whether taught during a regular semester or during an intersession, may be offered the first time with the approval of the department head and the college dean and may be offered a second time without additional approval.

B Before a specific section (topic) of an existing variable content course or special topics course may be offered for the third time, it must be proposed and approved by means of the procedures outlined in Sections 3 through 13 of Article VI, as a “regular” section of that course just as if it were a new stand-alone course.

C The procedures outlined in the Section do not apply to courses designed to provide one-on-one instruction or supervision of individual students (practicum, internship, research, independent study, etc.).

SEC 15 Approval Process for Courses Taught During an Intersession or Other Compressed-Time Format

A For each application to offer a section of an existing course during an intersession or in another compressed-time format (fewer than eight weeks during a regular semester or fewer than four weeks during the summer), the department head and dean must supply evidence to the appropriate administrative office (Continuing Education or Office of the Provost) that the offering satisfies the following criteria:

(1) The standard credit hour-workload congruence is met (i.e., 1 credit hour = 750 minutes or more of actual classroom exposure).
(2) A course taken for graduate credit holds substantially higher expectations of students than the same
course for undergraduate credit.

(3) Faculty credentials are equal or superior to those required for appointment as instructor in the
originating department.

B Each proposal for a new course or a new “regular” section of an existing variable content or special topics
course designed to be offered exclusively during an intersession or in another compressed time format must be
approved through the normal curricular approval process outlined in Sections 3 through 13 of Article VI. For
each such offering, each relevant curricular review body must consider, in addition to the normal issues
related to content, quality, and rigor, the three criteria listed in Part A of this Section.

SEC 16 Accelerated Course Approval Procedure

A This section applies only to new courses that cannot fit under existing variable content or special topics course
designations. Before any course approved through this accelerated process may be offered for a third time, it
must go through the regular curricular approval process outlined in Sections 3 through 13 of Article VI.

B Each proposal for a new course must originate in an academic department or equivalent department-level
entity, e.g., special academic program. Any department may require approval by its curriculum committee or
by a majority of its faculty. Each proposal must receive the signatures of the department head and dean.

C Any college council may promulgate more stringent requirements than these; all councils should, however,
observe at least the following minimum requirements:

(1) Originating department requests that council chair grant consideration of accelerated approval.

(2) Council chair decides whether request merits this special consideration.

(3) If special consideration is granted, the chair distributes materials to council members and arranges
Internet posting. Each council member must respond to the Council Chair within five calendar days.

(4) The chair collects individual council members’ votes and disseminates the decision to council members,
to the originating department, and to all other involved parties.

D The rights of challenge and appeal of Council Actions in the accelerated process shall be the same as set forth
in ART VII, SEC 2 and SEC 3, except that the challenge and appeal periods shall each consist of five calendar
days.

E The accelerated procedure shall also enable consideration of a course proposal initiated in the summer, if the
incoming council chair determines that the proposal cannot wait until the fall semester. In such a case, the
Faculty Senate Executive Committee, working with both the past and incoming college council chairs (or their
designees), shall serve as the course approval committee. The other provisions of the accelerated procedure
apply to proposals initiated in the summer.
This request for acceleration shall NOT be considered by the college council if an originating department does not adduce a good reason for failing to observe standard submission procedures. Circumstances that might justify such a request include but are not limited to (1) the arrival of a new faculty member who has not had time to initiate the course proposal through the usual means, (2) student demand that was not made known early enough, (3) an unusual opportunity to engage a visiting scholar or other accomplished individual at the last minute.

**SEC 17 Approval Process for Changes to Degrees, Degree Requirements, and Certificate Requirements**

A The Faculty Senate Chair may charge the Council on General Education and Intercollegiate Programs to initiate a curricular proposal to add an undergraduate degree, delete an undergraduate degree, modify the requirements for an existing undergraduate degree, or modify the general requirements for undergraduate certificates. The Senate Chair may also charge CGEIP to investigate the merits of such a proposal and initiate a curricular proposal at the Council’s discretion.

B The Faculty Senate Chair may charge Graduate Council to initiate a curricular proposal to add a graduate degree, delete a graduate degree, modify the requirements for an existing graduate degree, or modify the general requirements for graduate certificates. The Senate Chair may also charge Graduate Council to investigate the merits of such a proposal and initiate a curricular proposal at the Council’s discretion.

C An academic department or special academic program may submit a proposal to add a degree, delete a degree, modify the requirements for an existing degree, or modify the general requirements for undergraduate or graduate certificates.

1. Proposals affecting undergraduate degrees offered through only one college must be submitted to the college council of that college for review and evaluation.

2. Proposals affecting undergraduate degrees offered by two or more colleges, and proposals affecting the general requirements for undergraduate certificates, must be submitted to the Council on General Education and Intercollegiate Programs for review and evaluation.

3. Proposals affecting graduate degrees, and proposals affecting the general requirements for graduate certificates, must be submitted to Graduate Council for review and evaluation.

D Any proposal recommended to Senate by a college council, CGEIP, or Graduate Council, and any proposal initiated by CGEIP or Graduate Council, will be reviewed and acted on by the full Senate during the course of two successive Senate sessions, beginning no later than the March session of an academic year. The proposal must appear on the agenda and be discussed at the first session, with the vote occurring at the next regularly scheduled session of the Senate.

**SEC 18 Approval Process for Proposals Affecting Honors Courses and the Honors Program**

A The Director of the Honors College shall fulfill the responsibilities of the Academic Dean as described in ART VI SEC 5.

B Proposals approved by the Honors College Council shall be forwarded to the Council on General Education and Intercollegiate Programs.
C In all other regards the review of such proposals shall be governed by the entirety of ART VI.

ART VII CHALLENGES AND APPEALS OF COUNCIL AND SENATE ACTIONS

SEC 1 Overview of Challenges and Appeals

A The ranked faculty have an inherent right to contest any Council Action (as defined in ART I SEC 10C) and any Faculty Senate Action (as defined in ART I SEC 7A).

B Summary of the process for challenges and appeals:

(1) The ranked faculty of an undergraduate college may challenge any Action of their College Council within 10 days of its dissemination to the college faculty, as described in SEC 2 below.

(2) Ranked members of the Graduate Faculty may challenge any Action of the Graduate Council within 10 days of its dissemination to the Graduate Faculty, as described in SEC 2 below.

(3) The ranked faculty of the University may appeal any Action of any Council of the Faculty Senate within 10 days of dissemination of the Action to the University faculty, as described in SEC 3 below.

(4) The ranked faculty of the University may challenge any Senate Action within 20 days of its dissemination to the faculty, as described in SEC 4 below.

(5) Challenges of Council Actions and Senate Actions may be initiated only by petition from the ranked faculty. Appeals of Council Actions may be initiated by petition from the ranked faculty, by a Department Head, or by a Council Chair.

SEC 2 Challenge and Veto of College Council and Graduate Council Actions

A Right of Challenge

The ranked faculty of each undergraduate college shall have the inherent right to challenge any College Council Action from its own college. The ranked members of the Graduate Faculty shall have the inherent right to challenge any Graduate Council Action. Such faculty challenges must be made within ten (10) calendar days following distribution of the Council Action to the college faculty.

B Form of Challenge

A college faculty challenge of its own Council Action or a graduate faculty challenge of a Graduate Council Action may be made by no fewer than ten percent (10%) of the ranked faculty from that college or the Graduate College. Said challenge shall be made in writing and copies submitted to the chair of their college or graduate council, chair of the Faculty Senate and the Secretary of the Faculty.
The chair of the college or graduate council shall send a copy of such challenge to each ranked member of the college or graduate faculty. No sooner than three (3) school days, but no later than six (6) school days after copies of the challenge have been distributed to the faculty, the chair of the council shall call a session of the faculty for the discussion of the challenge. The dean of the college or his or her designee shall preside at this session. The secretary to the dean shall attend this session and record arguments for and against the challenge. No later than five (5) school days after the session, the secretary shall distribute to all ranked faculty members ballots for voting on the challenge. A summary of arguments for and against the challenge shall be prepared by the council chair and shall be sent with the ballots.

C Disposition of Challenge

An affirmative vote to support the challenge, equal to a majority of the votes cast by the ranked faculty of the college or by the graduate faculty, shall constitute a veto of the challenged Council Action.

SEC 3 Appeal and Veto of Council Actions

A Right of Appeal

The ranked faculty of the University shall have the inherent right to appeal Actions of a College Council, Graduate Council, Educator Preparation Provider Council, and Council on General Education and Intercollegiate Programs. Appeals must be made no later than ten (10) calendar days during the regular academic year when classes are in session, excluding terminal week, following distribution of the Council Action to the University faculty.

B Form of Appeal

An appeal of a Council Action may be made by an academic department through the Department Head or Director, by a council through the Council Chair or by petition of no fewer than thirty (30) members of the ranked faculty. Said appeal shall be made in writing to the Executive Committee of the Faculty Senate. If an appeal is made, the Executive Committee of the Faculty Senate shall place the issue on the agenda for the next Faculty Senate session.

C Disposition of Appeal

An affirmative vote to support the appeal, equal to a majority of the votes cast by the senators present and voting, shall constitute a veto of the Council Action. Since upholding an appeal would constitute a Faculty Senate Action, an upheld appeal is subject to the right of challenge as set forth in Article VII Section 4 below.

SEC 4 Challenge and Veto of Faculty Senate Action

A Right of Challenge

The ranked faculty of the University shall have the inherent right to challenge any Faculty Senate Action. The Chair of the Faculty Senate must be notified of the intent to challenge within five (5) calendar days following distribution of the Faculty Senate Action to the faculty. The full challenge must then be submitted within twenty (20) calendar days following distribution of the Faculty Senate Action to the faculty. In extraordinary circumstances, but not on curricular matters, the challenge period may, by unanimous vote of the Faculty Senate members present when a Faculty Senate Action is made, be reduced from twenty days to a number stipulated by the Faculty Senate.
B Form of Challenge

A faculty challenge of a Faculty Senate Action may be made by no fewer than fifty (50) members of the ranked faculty. Said challenge shall be made in writing and submitted to the Chair of the Faculty Senate, and the challengers shall file a copy of the challenge with the Secretary of the Faculty.

C Disposition of Challenge

The Chair of the Faculty Senate shall send a copy of such a challenge to each member of the faculty, and no sooner than three (3) school days, but no later than six (6) school days after copies of the challenge have been distributed to the faculty, the Chair of the Faculty Senate shall call a session of the ranked faculty for discussion of the challenge. Members of the administration may attend. The president of the university or the president's designee will preside at this session. The Secretary of the Faculty shall attend this session and record arguments for and against the challenge. No later than five (5) school days after the session, the Secretary of the Faculty shall distribute to all ranked faculty members ballots for voting on the challenge. The Secretary of the Faculty's summaries of the arguments for and against the challenge shall be sent with the ballots.

D Vote on Challenge

Voting shall be by secret ballot. Voted ballots must be returned to the Secretary of the Faculty within six (6) school days after the day on which the ballots are distributed. An affirmative vote to support the challenge, equal to a majority of the votes cast by the ranked faculty who are on active duty at the time of the challenge, shall constitute a veto of the challenged Faculty Senate Action.

ART VIII AMENDMENT OF BYLAWS

SEC 1 Amendments of these Bylaws may be proposed by the Committee on Rules of the Faculty Senate; and shall be proposed by the Committee on Rules of the Faculty Senate when made necessary by amendments to the Constitution. Bylaws and amendments to the Bylaws of college councils, graduate council, or any other body of the Faculty Senate, shall be proposed by the Committee on Rules of the Faculty Senate.

SEC 2 Amendments of these Bylaws may be proposed upon petition to the Faculty Senate of twenty-five percent (25%) of the senators. Amendments proposed by petition shall be referred to the Faculty Senate Rules Committee for their recommendation before being submitted to the Faculty Senate.

SEC 3 Proposed amendments may only be fully considered during the course of two Senate sessions. Proposed amendments, submitted in writing, must first appear on the agenda and be discussed at one session of the Senate with the vote on the proposed amendment(s) occurring at the next regularly scheduled session of the Senate. No proposed amendments shall be accepted later than the March session of each academic year. Voting on proposed amendments shall be by secret ballot and without discussion in the session when the vote is taken. Ballots shall be prepared and distributed by the Secretary of the Faculty. An affirmative vote equal to a two-thirds majority of the senators present and voting shall be necessary to make a proposed amendment part of these Bylaws.
SPECIAL RULES OF ORDER

These special rules of order supersede the parliamentary authority but yield to the Constitution and Bylaws. A special rule of order may be suspended by a motion to Suspend the Rules. See the parliamentary authority for procedures by which these special rules of order may be amended.

1. Length and Number of Speeches in Debate

In the absence of an explicit limit, speeches in debate may be at most three minutes long, and there is no limit on the number of speeches. Prior to taking up an item of business on the agenda, the Chair may order a limit on the length and/or number of speeches as if by a motion to Limit Debate; the order must be accompanied by a brief verbal rationale. A senator may Appeal the order before substantive debate begins, interrupting the current speaker if necessary. Once debate has begun, the chair may not further restrict it, but may ask for a motion to Limit Debate or for the Previous Question.

2. Circumstances That Require Referral to a Standing Committee or Council of the Senate

If the Senate wishes to take action that, according to the Bylaws, requires consideration first by a standing committee or council of the Senate, the only available option may be to Refer the matter to that committee or council. (An example is a change to the general education curriculum, for which CGEIP has the right of first consideration.) In such a case the motion to Refer can be a main motion as well as a subsidiary one, and debate on the motion may extend beyond the merits of referral to the merits of the matter being referred.

3. Lack of Representation for a Curricular Proposal

It is preferred but not mandatory that representatives of the academic unit(s) sponsoring a curricular proposal be present for its consideration by the Senate. Therefore any speech or motion against a curricular proposal (including a motion to Postpone) is out of order if it is made only because no representative is present. However, if there are substantive questions or concerns about a proposal that none present can address satisfactorily, then the Senate may act as it sees fit, including postponing or voting down the proposal.

4. Faculty Handbook Amendments

Proposed amendments to the Faculty Handbook come to the Senate in a report from the Faculty Handbook Revision Committee (FHRC). The report may contain a full revision, based on a complete review of the entire Handbook as required periodically, or a partial revision, which is concerned only with certain parts of the Handbook. The Senate must make a recommendation on the report, but its recommendation does not supersede the FHRC report; both the FHRC report and the Senate’s recommendation are forwarded to the administration and Board of Governors.

A) Procedure for Consideration of the FHRC Report

Following the presentation of the report, the Chair shall ask for a motion to Adopt the report. If there is no motion to Adopt, or the motion dies for lack of a second, then the Senate's recommendation is that no changes be made to the Handbook. If there is a motion to Adopt, the Senate may amend its version of the report as explained below. If the motion to Adopt passes, then the Senate's recommendation is to amend the Handbook as specified in its report; if both reports are the same, then the recommendation is to endorse the FHRC report. If the motion to Adopt fails, then the Senate's recommendation is that no changes be made to the Handbook.

B) Scope of Revision

The FHRC has the right of first consideration for new amendments to the Handbook, so Senate amendments that arise out of the motion to Adopt the FHRC report may not exceed the scope of the FHRC
For a full revision, the scope includes the entire Handbook without limitation; for a partial revision, the scope includes only those portions of the Handbook specifically addressed in the report. Inclusion of Handbook text in the FHRC report does not necessarily open that text to amendment, since it may have been included to put the report in context. Conversely, amendments within the scope of the report may logically require amendments to parts of the Handbook not included in the report.

C) Presence of FHRC Members

The Handbook is a complex document, and changes to one part may affect many other parts, possibly in different chapters. Thus it is strongly recommended that at least two members of the FHRC be present during consideration of its report.

D) Proposed Handbook Amendments Outside the Scope of an FHRC Report

Any faculty member may propose amendments directly to the FHRC as explained in the Faculty Handbook. However, a senator may prefer that the proposed amendments carry the full weight of the Senate. Thus a senator may offer, as a main motion, a resolution proposing one or more amendments to the Handbook for consideration by the FHRC. Such a resolution is out of order during consideration of an FHRC report, but may be made immediately afterwards, before the next item of business. It is out of order to offer a resolution conflicting with a recommendation of the Senate if a motion to Reconsider, Rescind, or Amend Something Previously Adopted is applicable and would achieve the same effect. If the resolution passes, the Faculty Senate Executive Committee will forward the resolution to the FHRC for its consideration and ask it to present a report to the Senate.
