Chart 12. Full-Time Faculty by Tenure Status and Fiscal Year

Note: Tables displaying data for "full-time faculty" reflect only instructional faculty and exclude full-time "research" faculty. Table 55 provides information for non-instructional research faculty. Therefore, to see the total number of faculty, both instructional and research, the two groups need to be considered together. For example, for 2014-2015, MSU reported 728 instructional faculty and 5 research faculty for a total of 733 total full-time faculty.

Note: Data table available in Appendix in Table A9.

Note: Full-time faculty counts represent data as of November 1st of the report year.
